The Knock-Off is published monthly, 12 months of the year. The deadline for articles and advertisements is the first Wednesday of the month. The material in the Knock-Off is that of the author and in no way reflects the official attitude of Mohawk-Hudson Region, Sports Car Club of America or its officers. Agreement of dissenting opinion in writing is welcome and will be published at the discretion of the editor. The Knock-Off is mailed under Third Class regulations from Guilderland, NY.

Knock-Off Staff, Dick Brooks, Andy Mace.

RE-gional Ramblings--

Here we are in August all ready and our Driver's School and Race at Lime Rock are completed--a good success again this year, thanx to all the hard work put in by the committees and just plain workers--

We had people from as far away as Alabama--now that's pretty good-- We even had a former RE of our region from Syracuse. Speaking of former RE's I might just add that John Stim put a hell of a lot of effort into this event. Some of it was VERY clever such as Fort Lime Rock and Hacker's Last Stand--etc.

I had the opportunity to get back to Lime Rock on the following Wed. for a "Ride and Drive" demonstration of different cars and Jim Haynes was still elated over our event, especially the Fort part. I even had to explain that to Jon McKnight (Saab SSA) and then he caught on.

A few weeks ago I had the fortune or misfortune to be pit crew for Gene Birdsey at Watkins Glen--I enjoyed the event very much and found that the Glen School had about half as many as we did. Also the Glen 100 only had 98 entries--so be real proud of our region with 134 entries for a one day event at LRP--also 66 drivers at our school which is also some kind of record these days.

A few oldies for you to ponder--

Who was the fellow to crash a Lotus Elan at a long ago Snowflake Rally--

(I believe it was across the river)

What year was the last Windham Mt. Top Rallye? and who was the Rallye Master?

What ever happened to:

- Roly's Gold Jag
- Harold's Silver TD
- Adam's Red MGA
- Gene's Fairthorpe
- David's Spitfire
- Mac's TC

Executive Meeting Minutes

d Cameron, R.E. called the August Executive Meeting to order July 23, 1979. Executive minutes were read. Tom Campbell gave a treasury balance. Jack Hanifan announced the Solo run-off coming up.

Stim has race trophies all engraved. Bill Morris will check with Jim Haynes certain rules that are new this year.

We've decided to pay the doctor a \$50 fee plus a tank of gas. T Shirts will be available to the winners.

McIntyre is getting Heur stop watches for \$200. Sue Rogers has had favorable response for availability for the Friday school.

We will donate the projector for race weekend.

Meeting was made to adjourn the meeting. Meeting adjourned.

McIntyre Ramblings,

Well I have SURVIVED the No-Hud annual. Friday night I had my usual butterflies worrying what might go wrong on Saturday. But thanks to a most able staff all went very well. My thanks go out to Melanies Correll, Len Sadora, Rosemarie Lane -Lopez (from the Barber Series), Karen Jannicky, Peter and Tony Jannicky, favorite Opel driver Dick Kaufman, Ray Johnson, Van Asimakis (an able Timing capatian) Jack DeGeus and Jean DeGeus (Tech workers in the early am Friday and Saturday) Doug Brennan, John Dunbrook, Mike Richardson, Steve Osifias, Arlene Osifias, Sue and Steve Spry , Jan Poor , able typists Joanne Winkleman and Marie Corrin, Marilyn Heacox, Michele ??? and Marilyn ?????, and of course to daughter Terri who helped out in all areas both Friday and Saturday. Many thanks to you all, a very well done job. Special thanks to Any Mace, Dick Brooks and John Stim whom all kept the wheels of the mimeo turning. Extra special thanks to Bill Morris who saw to it personally that the T & S crew got beer and cold duck BEFORE it was ALL gone!!!!

Latest News from our friends at Yankee/Pac/Racemark...the latest auto they've tried out.....Datsun 280ZX.....latest word is.....don't ask J.P. how he likes it.....

I have also sent along to J.S. for publication(I hope soon) of the NARRC standings for those of us involved in that series.

Latest from the IRP pits.....men must wear shirts.....ladies... the rules are wide open(so were some of the outfits observed).. luckily or unluckily... the local gendarmes looked the other way when ladies passed through the pits for a moment or two long!

Craig Roberston was seen with a strange look on his face Saturday morning arriving to see a beige R5 with a smashed wind-screen and crunched roof.....what visions was he recalling..... There were official inductions into the roll-over club all toll.

Jean Fantelli was seen collecting dollars from everyone for the "roll over pool" and the # of entries pool. Seems all had a good time.....

Enough for now.....

To the editor:

Although I have been a Mo-Hud member for four years, it was not until this year that I attended a Mo-Hud Regional Race.

This year, I participated as an instructor on Friday, and as a timer on Saturday.

I would like all Mo-Hud members to know that I was very impressed with the way that my region ran their Drivers' School and their Regional Race.

It made me proud to be a Mo-Hud member.

Keep up the good work.

Sincerely,
