From The Editor's Desk

Well, here we are at the end of/beginning of another year. I'm sure that if we had received the RE's column on time for publication (he has been a bit under the weather lately), he would have said what an outstanding year we've had in Mo-Hud -- three rallies, three solo events, and a very satisfying race experience. He also would have thanked all of you who participated in these undertakings and would have asked for your continued support in 1988, and to see more of the new members stepping forward to take an active role in the club as well. At least I think that's what he would have said.

Anywho, let me (and George) also thank those of you who have contributed to the Knock-Off this year and chide those who haven't (Jim Bishop, please note - no one who attended the Area 10 meeting or MiniCon or anything like that recently has submitted an article thereon. Please suspend their fee payments.).

Now on to the regular stuff. For those who haven't seen them yet, we have printed the results of the Silvermines Race in this issue. And, I will now present a summary of our Annual Banquet activities.

Dateline Albany. December 5, 1987. Another boffo Mo-Hud Annual Awards Banquet at the Ramada Inn. Jack Hanifan and Dave McClumpha handed out most awards, race specialty chiefs presented theirs, Pete Smith and Jack Hanifan doled out door prizes, (thanks to all our contributors), Jim Garry ditto on autocross trophies, and John Sheridan presented the Lewis Trophy. Good meal and good D.J. - just couldn't get people on the dance floor early (it wasn't his fault).

A summary of the major award winners is as follows:

Worker Awards

Lewis Trophy - John Stim
First Place Worker - John Sheridan
Second Place Worker - Jack Hanifan
Third Place Worker - Jim Bishop

First Marilyn Heacox Memorial Award (presented by Jack Hanifan and Roly Heacox for overall contribution at our race weekend) - Lee Shaller

Driver Awards

Rookie of the Year - Don DeLapp
Most Improved Driver - Fred Besch
Outstanding Single Performance - Dick Stewart
Pro Driver of the Year - Paul Hacker
Driver of the Year - Pete Smith

Finally, thanks to Jack Hanifan (and Lisa) for organizing a great banquet. Til next month.

David McClumpha

Race reported figures still not all in yet but we did have a very good turnout. Motion made by Jack Hanifan and seconded by Dave Riggi to accept the treasurer's report. - Motion accepted.

ACTIVITIES DIRECTOR REPORT - Report by Pete Smith

Comment from Pete to please report any activities you have that need to be put on our calendar.

MEMBERSHIP REPORT - Mike Weir reported no new activity for this meeting.

SOLO REPORT - Report by Jim Garry

Comment by Jim for all to keep their eyes open for possible event sites. You let him know and he'll check it out. Also Jim is looking for some assistance on trying to set up a Solo event in the city of Schenectady. Why not get involved?

COMPETITION CHAIRMAN REPORT - Report by Jack Hanifan

Comment by Jack that he has issued another novice permit this year bringing the total to 9. This is great. Also Jack has proposed a Tech Annual inspection for early Spring for all the competition cars.

Important Note - Jack would like all the drivers to fill out the resume in the November Knock-off issue and send it to him ASAP. We don't want him to get all the awards.

RALLYE REPORT Jim Bishop reports nothing going on with SCCA at this time in our area.

KNOCK-OFF COMMITTEE - Dave McClumpha would like reports etc. in by the 10th of the month if possible. Both Dave McClumpha and George Smith would certainly appreciate if reports were sent in **MORE LEGIBLE**. **TYPED** if possible.

EXECUTIVE BOARD REPORT - Report by John Sheridan

Some items that were discussed were trophy distribution from the Silver-mines Race. Mike Weir has this almost completed as of this meeting. Other items of discussion were where the club is going in the future. Officers responsibilities. How to encourage people to get involved on committees. Pete Smith to coordinate calendar activities. No raise in dues this year. Looking for ideas to enhance new membership. Looking for ways to interest new workers.

Solo Spins

by Jim Garry

Another autocross season is over and we have about four months of bench racing to look forward to. We can also carry out any planned modifications to our competition cars. For some this merely involves driving the car all winter long in the snow and salt and allowing the rust to further lighten things.

This year was a good first step forward for the region's Solo II program. We held three events at SUNY-Cobleskill. Despite a total turnout of only 72 entrants, we were able to have a good time and sort out the club's equipment needs.

Another result of this three event series is that we will crown some Solo II Regional Champions at the Christmas Banquet. Using the Grand Prix points system and requiring competitors to enter two of the three events, as well as being an SCCA member, Mo-Hud will crown the following as series champions:

<u>Class</u>	<u>Name</u>
D Modified	Jim Bishop
C Prepared	Nancy Hudson
B Street Prep.	Bill Hudson
C Stock	Jim Garry
G Stock	Keith Martens
G Stock-2nd	Tom Schilde
H Stock	Art Boreali

Looking forward to next year, we're hoping to return to Cobleskill for two or three events as well as run one or two events at the go-kart track near Sacandaga Lake. If you all keep your fingers crossed, we may get to use the Peripheral Lot again. However, at this time, the latter is no more than a hope.

One last note. Last year, we planned our schedule around local club racing. However, since only two club racers made it to one event each, I'm planning on scheduling the Solo II program independently of club racing. Of course, if a bunch of you racers were to call and express interest in autocrossing, then things could change. Let me know.

*****TROPHY AWARDS! ***** - Trophy Chairman, the Silvermines - Mike Weir

The Mohawk-Hudson Region is pleased to finally announce the award of the two special silver trophies, given at the trophy chairman's discretion and in addition to the usual distribution, for outstanding performances at the region's Silvermines regional race at Lime Rock Park, Connecticut. This race is part of the NARRC series and the NYSRRRC series of regional races, and counts double points in the former.

The first trophy was won by Doug Arnao, of Mine Hill, New Jersey, a member of the Northern New Jersey Region. Driving in his novice season, Doug brought his Porsche 914-6 in first in class, and second overall behind the Corvette of Peter Andrighetti in a race-long exhibition of fine driving.

The second trophy was won by Sherman Engler, of Lakewood, New Jersey, another Northern New Jersey Region member. Unsponsored and with only his wife as crew, Sherman drives a 10-year old Caracal formula V. His excellent performance in a closely contended race resulted in a first place finish, and this additional special award.
