## Regional Ramblings

### The Race is Off, The Race is On

Lime Rock has finalized arrangements for the Brian Redman Porsche Invitational on Independence Day weekend. That means that Mohawk-Hudson's July 5 & 6 race date is off for this year.

But that doesn't mean we are out of the race organization business. Mohawk-Hudson Region will co-sanction, with our friends from Northern New Jersey Region, the August 16 & 17 race date at LRP. The event will continue the tradition of the John Stim Memorial.

Last year we got a tremendous turnout of workers, and we hope we can count on you again this year, even though the organization structure will share responsibilities. Our goal is to do all we can to make this the best Lime Rock race of the season.

Jack Hanifan will represent Mohawk-Hudson as co-chairman; more details to come.

### Where the Elite Meet

Repeating last month's announcement, beginning with the **May 1 meeting**, Mohawk-Hudson Region will be at the **Holiday Inn Turf on Wolf Road in Colonie.**

Before the meeting we'll gather for an informal dinner at **PLAYFIELDS**, the facilities sports theme pub. Racing videos will be featured during our visit; each table has an individual tv monitor.

If you've not yet come out yet to meet your fellow enthusiasts, I hope you'll join us on May 1. I'm not a real Dale Carnegie type, but I'll try to get over my shyness if you will too. Bring a friend,

spouse, or "significant other", even if they don't want to stay for the meeting. There are lots of other attractions along Wolf Rd.

### Among the Best

To settle some long-standing discussion, at **PLAYFIELDS** we're going to find out who is the **best driver** in the club.

Activities Director John Broadhurst and Competition Chairman Jack Hanifan have designed this very special test of skill to insure absolutely impartial competition, so whether you're a pro racer, splendid amateur, ardent autocrosser, vintage veteran, respected rallyist, dirt track demon, king of the karts, or a wistful wanna-be, you stand an even chance.

There'll be awards for the best gentleman and lady driver. Due to the specialized nature of this event, it must be open to members only.

### Driver Tune-Up

Racing teams spend untold amounts of time and money getting ready for the new season, but don't forget the most important component, the driver. To tune you up, our guest speaker on May 1 will be Bruce MacInnes, Formula Ford legend, Can-Am and endurance racing winner, and Head Instructor for the Skip Barber Racing School.

Don't forget the date, **May 1**, or the place, the **Holiday Inn Turf on Wolf Road**. If you can't join us for dinner the regular meeting time is **7:30** in the Holiday Inn conference center. Hope to see you there.

**SUPPORT THE SPORT**

**Greg Rickes**

Minutes of the April 3, 1991 Membership Meeting. There were 35 present.

Meeting was called to order at 7:45 p.m. by R.E. Greg Rickes

**Secretaries Report** - A motion was made by Roly Heacox, seconded by Jack Hanifan to accept the minutes as they appeared in the Knock-Off. Motion carried.

**Treasurer's Report** - Jim Bishop reports a very busy month with the Round Table being held. A motion was made by Jack Hanifan and seconded by Harold Cameron to accept the report. Motion carried.

**Rally Report** by D.J. McArdle will appear in the Knock-Off. If you are interested in some fun, attend a rally.

**Race Report** - Greg Rickes reports that our race which was scheduled for July 5 & 6 will now be on August 15 & 16. It will be co-sanctioned with N.N.J. We also lost the June 12 date. We have been assured we will get a race date of our own for next year. The race will still be the John Stim Memorial Race.

**Competition Report** - Jack Hanifan reminded us that New Hampshire International Raceway will host the first NARRC race on April 21. The annual tech inspection will again be held at Village Dodge in Hudson on Sunday, April 14 at 11:00 a.m. Also of interest is the new procedure regarding tech inspection. No longer will the classes to be reinspected be given advance notice. You will not know until you arrive at the track.

Greg announced that checks for NARRC points from last year will be mailed to you very soon. Lime Rock has graciously given a test day at the track for all NARRC champions.

**Membership Report** - Larry reports no new members this month, but we did drop a few. Larry feels this is just due to delays in sending renewals in.

Greg announced that our next regular meeting will be held on May 1 at the Wolfe Road Holiday Inn "Turf". This will become our regular meeting site. There is going to be a competition event before the meeting starting at 6:00. Every member may compete, no experience is necessary. This will be held at Playfield's (at the Turf) and will determine once and for all the region's best driver. Plan to attend and have a good time. Planned speakers for the May meeting will be Bruce McGinnis and Skip Barber. John Broadhurst is looking for ideas for social events. Call John and let him know your ideas.

**Roundtable Report** - Jack Hanifan reports the meeting went very well but attendance was low.

Greg reported that there are some problems with the National race schedule. There will only be one race at each track next year. Greg also suggested that we read the new Initiative Race structure and send our thoughts to Denver. The NARRC surveys will be out soon. Please take the time to fill them out. Maybe together we can make a difference. Much discussion was held on how to get the races more affordable. If you have ideas, please send them to us

Our Guest Speaker for the evening was Jeff Miller from Hoosier Tires. Jeff has been with Hoosier for several years and provided us with some interesting facts. Among them was the equipment needed for proper tire evaluation such as: 1. accurate tire guage 2. pen and paper to record all changes and results from changes 3. stopwatch - used for all changes and situations 4. tire pyrometer to record temperatures. This helps to determine compound and pressure. 5. Caster and camber guage 6. tire tape (metal) 7. toe guage. Jeff explained the many mysteries of tires and their treatment. He answered many questions and there is no doubt that Jeff is a professional and knows his tires. Look him up at the race track or give him a call at (203)646-9646 if you have questions about tires. He's always willing to help. It was a very informative evening. Thank you Jeff for sharing your time with us.

A motion to adjourn was made by John Broadhurst and seconded by Dave McClumpha. Motion carried.

Respectfully submitted,

Richard Stewart, Secretary

NARRC COMMITTEE MEETING held in Albany, NY - March 9, 1991 at the Roundtable Convention, 5:10pm. Minutes recorded by Diane Miller (NNJ)

1991 COMMITTEE:

<u>CHAIRMAN:</u>	Henryk Szamota	-	NYR (RE)	716	229-2696		
<u>MEMBERS:</u>	Bette French	-	NER (RE)	603	673-4370		
	Walt Huber	-	NNJ (RE)	201	838-8884		
	Greg Rickes	-	MoHud (RE)	518	786-3118		
<u>OFFICIALS:</u>	Lynne Dignan, Reserved Numbers	-	NER	508	630-2848		
	Maureen Harris, Pointskeeper	-	NYR/NNJ	201	325-3512		
	Arthur Trier, Treasurer	-	NYR	516	473-0639		
	Diane Miller, Secretary	-	NNJ	201	575-0150		

PRESENT: Henryk Szamota, Art Trier, Larry and Lynne Dignan, Greg Rickes, Jack Hanifan, Walt Huber, Maureen Harris, Diane Miller and Bette French. Also Mary Van de Weghe (NNJ)

Lynne and Mary finalized the uniform entry blanks to be used for registration for NARRC races. Everyone felt comfortable with the way the form will be printed. All four regions agreed on how this form should be done. Larry D. will do a paste up and get a final approval from all four regions and then each region will be responsible for having their own copies printed up with necessary sanction #, maps, officials, etc.

The 1991 NARRC Schedule was adopted as a tentative schedule. Attached is a copy for your records as presented and corrected. Thank you Maureen H.

Minor I.D. Cards were again discussed and decided to go with Neon colors with Minor printed on front in bold letters. Card will have information such as Who, D.O.B. when and where signed and filed, special conditions, parents name and address and phone number. (Similar to regular I.D. cards) Also will have all four logos on them as will the entry forms for races. Lynne and Larry still need slicks from NYR and MoHud A.S.A.P. so they can get going on these so we will have completed by the start of race season. Lynne noted that she hopes we are setting an example for NeDiv, so eventually we will all have the same entries. It will make it easier for all registrars and drivers alike.

NAARC REGIONS contributions for administrative fees: Each region donates \$200 each towards the trophies fund, but Henryk pointed that the cost of such was \$1,600 last year. This shows that we do not have enough to cover this outlay. It was put in a motion by Bette that we move to increase the collected \$5.00 fee to \$6.00 this year, allocating \$5.00 towards the points championship and \$1.00 towards the trophy fund. This was approved by the committee.

LIME ROCK Contracts for 1991: Shows an increase of 3 to 4% over last years. Looks like rental will be \$12,500 as per Larry D., and the park will remain open now for saturday night camping for workers, drivers, crew and the like. The amount of increase for entries was discussed and decided on to be \$5.00 only. \$10.00 would have been better, but due the nations economy at present, \$5.00 seemed more in line with what is fair and affordable.

UNIFORM ENTRY FEES: As stated above, regarding increasing entry fees, it was noted last year at \$135.00 per entry we needed 190 cars to break even. The agreed fee is going to be \$140.00 this season, an increase of only \$5.00 (see above notes)

NARRC Committee Mtg., continued...

RUNOFFS prize money: Henryk is still looking for an "angel" to donate to this fund. We have \$0.00 promised as of this date. (looking for \$2,600.)

NARRC STICKERS: Henryk has order 2,500 and they will be distributed to drivers at no charge.

NARRC RESULTS: Henryk requested that these should be published after every three races in all the regional publications. It was pointed out that this is not timely enough, plus would be excessive to include in mailings, due to postage increase. Maureen has the results at the track and the committee felt this is the best way to do this. They are available to all drivers at each NARRC event.

NARRC Rules for '91: It was noted that the wording regarding stickers was changed to should instead of "must be prominently affixed...." (by Maureen H.)

NEW BUSINESS: It was discussed by the committee that a mid-season race meeting be held with drivers, at LRP at the NER race on July 19, to survey the possibility of changing the 1992 points schedule. Also, to survey the drivers on other race matters with the results to be printed and published at a later date.

As there was no further business, the meeting was adjourned at 6:15pm.

**The  
(Motor)  
Sporting  
Life**

by  
A.N. O'Her

**Karticulate**

Catskill's Tustison brothers, Charles and Allan, were among the many who really poured their enthusiasm last year's M-H race at Lime Rock.

They also took guest speaker Bobby Carville's advice on getting started in racing, through go-karting, as the prime directive. The brothers travelled to Ohio to attend the Performance Motorsport school.

The brothers learned their lessons well. In the school's Top Gun competition, they came home with two trophies for "Most Improved" and notching second and third in the interschool competition.

**Drive at Spa**

Well not exactly Spa, but Ballston Spa (certainly less expensive than going to Belgium). The Adirondack Karting Association has scheduled a five race Grand Prix series at the Saratoga County Fairground on Prospect Street.

Race dates are: May 11, June 22, July 13, August 17, Sept. 15.  
For more info: Adirondack Karting Association, Box 1489, South Glens Falls 12803.

**CAN-IT**

Improved Touring racers with a yearning for international

acclaim will soon get their opportunity.

Following on last year's successful CNY-SCCA & BEMC-CASC home and home series at Watkins Glen and Shannonville, a special four race IT championship will highlight this year's schedule.

The series will host Saturday and Sunday IT races at each track on the weekends of June 1 & 2 (Watkins Glen) and 22 & 23 (Shannonville); special trophies are promised. For more info call Carolyn Connors (315) 488-7301

**Take The High Road**

Revivals of classic rallies, featuring period piece equipment, is the rage these days in Europe. To mark the 25th anniversary, the one and only London-Sydney Marathon will be revived in 1993.

In the original edition travel across Iron Curtain countries was not possible. Now anything that promises convertible currency is embraced by Mother Russia.

By contrast, in '68 there was little trouble traversing Iraq, Iran, and Afghanistan. For '93 it will be Soviet ingenuity to the rescue: the entire field will be airlifted in a single Antonov 124 jumbo from Tashkent, overflying the Islamic cauldron, to Delhi. The Antonov will also replace the now defunct Bombay-Perth ferry, where the cars will begin the final thousand miles plus across Australia to Sydney.

All-inclusive entry fee is \$24,000.

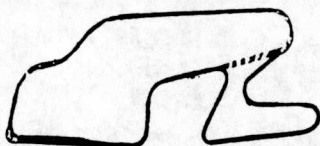

All for Now. Cheers

- \*Vehicles must use Bridgestone tires on all wheel positions for the entire event.
- \*Competitors must submit a Contingency Registration form, waiver and promotional release prior to the event to be eligible.
- \*Send claims and official results to the Bridgestone distributor serving your area.

NYR/SCCA  
presents: NARRC #4

**WHEN?** Two day practice/qualify & racing Saturday & Sunday, May  
18th & 19th, 1991.

**WHERE?** At "one of the most challenging road courses in North  
America"- BRIDGEHAMPTON RACE CIRCUIT, Bridgehampton, NY

" Long Island's Second Greatest Sound"

Race where the greats have raced, come for an encore of the  
Worker Party where the keg never runs dry and the chicken never  
runs out (oh, Lord, not more chicken!).

Work has continued through the winter. While you all were dream-  
ing of sunny skies and warm breezes, Dennis Macchio & Hot Shoe  
Racing have been working to improve the facility and to satisfy  
the SCCA. There is a larger paddock area, new 1/2 mile of fenc-  
ing, improved armco & supports, two additional tow vehicles, a  
real concession stand (not the truck !), improved "track store"  
and fuel tanks in the ground, so there will be fuel available at  
the track. The PA system should be hooked up by then.

\*\*\*\*\* A WORD TO THE WISE: BOOK HOTEL ROOMS EARLY\*\*\*\*\*

The following hotels have agreed to give a 10% room discount to  
SCCA members. In addition to the SCCA, this weekend is also  
graduation for Southampton College, so rooms will be going fast.

THE SOUTHAMPTON INN: Hill Street/Southampton (516)283-6500  
Village location, walk to shops, restaurants, movie theatre. On  
premises- 2 tennis courts, small weight room, sauna & volley ball  
court. Possibility of Friday night registration here-still nego-  
tiating. Two large parking lots + municipal lot adjoining, so  
ample room for large rigs. (\$75. per night less 10%. 2 night  
min.).

BARON'S COVE INN: West Water Street/Sag Harbor (516)725-2100  
Sag Harbor village. Walk to shops, restaurants, waterfront, Long  
Wharf area. Second possible location for Fri. night reg. Close  
to track. (\$75. to \$99. per night less 10%).

SOUTHAMPTON RESORTS: Montauk H'way/Southampton(516)283-7600  
Pool on premises, just at end of divided highway.(\$75. per night  
less 10% ).

"...a splendid time is guaranteed for all!"
