RE GENE TRICOZZI REPORT

I had intended to open with the completion of my report on the National Convention but because I just got back from the NeDiv Roundtable there are more important issues to discuss.

The most important issues, in light of annual tech fast approaching, are those discussed in the Tech seminar. There are changes that will come up in tech that you may have missed in the GCR and Fastrack. To start, window safety nets “shall be equipped with a quick-release device and when released it shall fall down, thus not having to be flipped up on the roof.” Some have suggested the net have a quick release both top and bottom in the event you find yourself on your roof.

For Showroom Stock, roll cages now require two side tubes connecting the front and rear hoops across both door openings. NASCAR-style side protection or one bar bisecting another to form an ‘X’. Roll cage padding must be of non-resilient material. Jack Hanifan is working to have this new padding available for purchase at Tech Party. There is also a requirement for

a Helmet Medical Tag attached to the helmet as the form of medical information required for entry in an event. We hope to have these tags available at Tech. Sorry for the late notice on these changes but Tech will try hard to work with us on this and issue tech stickers with “fix by next” if possible.

As a reminder, Fuel Test Ports are required. Helmets must be SA2000 or newer and annual inspections will be good for one year (12 months). The Annual tech page of your log book will include the seatbelt expiration date so Tech can verify they have been updated when required.

The night finished with a buffet dinner at The Buffalo Transportation Pierce Arrow Museum. The facility was first rate with tons of automotive memorabilia and fine examples of the Mark as well as other significant makes that every enthusiast enjoys seeing.

As a reminder submissions to the KO should be e-mailed to Lisa Hanifan and the deadline is the 15th of the month.

I do look forward to any input.

Gene

SOLO Co-Chair Report

by Russ Burckhard

April 2007

We are gearing up for the start of the 2007 season. As of this writing we are still waiting for confirmation of the sites for this year's schedule. Our first points events will be at Adirondack Community College. Prior to the first event we will be hosting a school on April 28th followed by event one on the 29th. The new display and updated timing software has been ordered as well as a few other necessary items to keep the program running smoothly. The van will be serviced and inspected prior to the first event. Our Specialty Worker Chiefs are ready to go.

- Burt Huiest will continue to do Course Design.
- Tom Hanson will head up Tech.
- Byron and Danielle O'Hara make sure everyone is Registered.
- Matt Zacharewicz makes sure everyone works as Worker Chief.
- Arne Beebe makes sure we are safe as our Safety Steward.
- Eric Smith is taking over for me in Timing and Scoring.
- And our all around go to guy, DJ McArdle is there for whatever is needed.
- Bruce Kosakoski is Co-Chair and will fill in as needed.

- There are others interested in helping out this year and we will do what we can to find them something to do.

With all of this help, I am confident that we will have another successful season.

To help speed up registration, we are looking into doing annual tech. This will be available to Mohud members. We will need to work out, and document, some details before we officially start this program. I also heard from Jamie Cahill and he will be coming home for his leave from Iraq sometime in April. He is hopeful that we will have an event during the time he is home so that he can have a little "play time" before he ships back overseas.

Latest News from the **COMPETITION CORNER...**

Jack Hanifan

2007 April Competition Report

First, and most importantly, there was a typo in the last issue; SA 95 helmets are **NOT** acceptable this year. I left the word **not** out last month; all helmets must be SA 2000 or newer. Only two drivers caught the error- thanks to Dave Austin and TJ for pointing it out. Remember, helmets must have a Snell SA sticker, Snell M helmets do not comply. Please read GCR section 9.4.1.c on page 88 of your GCR. I will try to have some of the compliant roll cage material available at tech.

New Classes – There will be several new classes this year, Formula 1000 which will be designated as

FB, FSCCA will be a separate class this year designated as FE. A new Improved Touring class will be ITR and we will add a new Prepared Category. B and D Prepared will be the first two classes in this category. Some IT cars may be eligible for the Prepared Category. Super Touring – ST- will be a new addition to the Touring Category.

One last note, tech inspectors will be placing an emphasis on enforcing GCR section 9.3.18.D, which can be found on page 74. Remember to bring your suit and helmet to the tech party so you can get your 2007 helmet sticker.

Spring Arrivals!

There is something wonderful about springtime in the Northeast, especially when it also brings baby arrivals. This past year or so our club has been blessed with many new additions to more than a few MoHud families.

Apparently this baby thing seems to be a trend in the club for the past couple of years. We hope it will continue to expand.

Treasurer, **Chip Van Slyke and his wife Angie** welcomed their daughter, **Ana Marisol**, into the world on March 8, 2007 at 10:22 am, weighing 7 lbs. 10 oz. and 20.5 inches long. All are doing well. Angie's Mom came from Mexico to help out.

A MoHud family dynasty, the Sheridan's, joyfully welcomed twin boys into the world on February 28, 2007. **Jim and Sandy Sheridan** are the beaming parents of **Andrew James**, 4 lbs. 4 oz., 17 inches; and **Ian Michael**, 4 lbs. 2 oz., 17 1/4 inches long. **Grandpa Jim and Grandma Judy Sheridan** as well as **Uncle John and Aunt Denni** are more than a bit relieved to have Sandy back on her feet with her two healthy, beautiful bundles of joy.

Another MoHud family, **Tom and Carol Campbell** who have more than a few grandchildren now welcomed their newest, **Amelia Joy**, born on September 29, 2006. They are also awaiting the **additional arrival** of a grandson expected **this July**. Carol wishes they all lived closer but then she'd be even more worn out doing the babysitting thing.

Last year, we introduced **Gene and Glenda Tricozzi's** granddaughter and Gene tells us **another grandchild** is expected very soon. Glenda has been re-doing one of their bedrooms for those times ahead when they come for a visit.

We are also anxious to meet Elise Olivia Lendrum who was introduced to everyone via the KO in the Feb. KO. David and Kelly will hopefully be bringing her to the races this summer.

It seems the races may be overrun with these babes in the coming seasons. Hopefully more MoHud family events will be planned in the future to encourage these folks to bring these tikes and enjoy the never-ending MoHud camaraderie.

I do hope we will ALL have the pleasure of meeting these sweet little babies in the very near future, before they grow up and start their own families. Time sure flies as we grow older. The next thing we know, we're looking at another generation to bring along the sport we so truly love.

Errata:

Last month's anniversary report contained a typo. I accidentally deleted most of a line when formatting the report and never noticed it.

My apologies to Wayne Green, who has been a member for ten years, not five as was reported.

Jeff Lehner's anniversary information was deleted up to his tenure. Jeff has been a member for five years.

Welcome letter:

We will be implementing an automated welcome letter to be sent to new members. Since we again have interest information, we could develop individual letters tailored to the new members particular interests. If the Solo, Worker and Racing communities would like to come up with some exemplars, it would be appreciated.

One of the keys to membership retention is to make the new member feel that they are part of a friendly and welcoming organization. Please help in this effort. We need to both build the membership base and to retain members. To thrive, we need to have the help of everyone who is able to make a contribution. There isn't a lot of time in our busy lives but it's our club and our collective responsibility to help it grow and prosper.

New Reports From National

National has added to the XLS reports that we receive.

New Members:

Dr. Steven Dweck	Philip LePore
Charles F. Farrell	Meliss Susan Litts
Lisa M. Farrell	Ezekiel Wright
Walter J. Huber	

This file is a little strange as I know that three people on the list have been members for some time. If you

have questions, please contact national as soon as possible.

The file also contains member interest information as a numerical code. My software does not read this file yet. Future reports will contain the interest information as did the old report based on the text data we used to get from national.

Expired Memberships:

David Cromie	Andrew Marsden
Dominic Karl	Jared Obernesser
Maria Kroth	Werner Scheeren
John Lecara	John V. Sheridan
Claude P. Manna	Patrick Stringer
Eric Marsden	

If your name is on this list and you want to stay in Mo-Hud, ***you need to check your renewal status.*** It looks like there may be some major errors in this list. I'll be sending out e-mails to the folks for which I have an address.

Name and Address Changes

This file breaks out the name and address changes of existing members.

Prospects

This file contains all of the prospect information that we used to receive via hard copy. I used to contact these folks when I got the hard copy and will be doing so again. There is no interest information in the file however.

I'd like to thank directory John Sheridan and Tom Campbell for supporting the effort to get additional reporting from national.

WEBMASTER'S REPORT

Nothing much to report this month. A series of snow blower failures, a broken hot water heater radiator pipe and several critical work issues have kept me busy. Still, I hope to get the Message Board software updated some time this month.

Remember that we have an active and growing message board at

Tentative schedule out. Sites have yet to confirm dates with Russ.

Russ & Bruce visited Hudson Valley CC to solicit for a new site. Facility was impressed with Russ's power point. Facility has been in contact with Bruce, they are now arranging to use an alternate lot at HVCC.

Jamie Cahill is still in Iraq and doing well, he may be back for a couple of weeks. Russ sent out a care package to Jamie including a MoHud hat.

Solo program has arranged for a cheaper toilet supplier at the events to save a little cash. Will save about \$80 per event at 3 events and \$20 at remaining 5

compete in 1 event from each participating event at LRP earlier in that year. Therefore competitors must compete in a LRP event hosted by MoHud, NNJ, & NE to be eligible for double points. NARCC'offs put on by the NY Region.

General consensus from MoHud board was that this rules change would help

LRP Management is again in flux.

NEW BUSINESS

Annual Car show at SAM is on the Sunday following the MoHud race. Looking for 10-12 cars to show at this event at the Museum – Tom Cambell.

Bill Green – WGI historian is coming to the SAM on Sat April 7 at 2pm on history of WGI. He will be putting on a slide show and discussion about the Track. About a 1 hour presentation with ½ hour QA with refreshments – Tom Cambell

SAM is putting out articles about local auto enthusiasts – Russ Burckhard

Harry Adalian – Street survival course sponsored by Tire Rack and hosted by local SCCA regions. Basically teaching accident avoidance to young drivers. Classroom session and road practice on a wet course, practice use of ABS, threshold breaking, running on a wet skidpad. Tire Rack will cover the cost of the event that we can't. We would charge for entries, TR to cover remaining costs. Harry would like to do 2 of these events this year. Idea is to host events at local school districts with local VFD's used to wet down the tracks. Dave Alexander recommends to talk to Bob Green who runs a similar program called 'Survive the Drive'. Basically this gives young drivers a chance to feel what different situations feel like.

Mike Landau comes to the MoHud region as a member of the Electric City GTO's. They will be hosting a big National GTO event in July of 2008 in Saratoga. They would like to run a solo event at the event at Lebanon Valley. They would like MoHud's assistance in hosting the event as they have no experience putting on solo events themselves. Russ brought up that MoHud attempted to have an event at Lebanon Valley – the track turned them away at arrival. The event would be on Thurs, July 17, 2008. Mike will be attending the 2007 event in Columbus Ohio to see how they run things.

Rich Alexander – Mar 24& 25 flag and fire school at LRP reg open at 7am Day 1 will be all classroom, Day 2 will be on-track work, end of day Sunday you will get to put out a car fire on the end of the straight. Open to anyone membership not required.

MoHud heavily involved in Roundtable!

*Off to Buffalo!
Gene and Harry
watch the road &
discuss the work
to be done at the
Roundtable.*

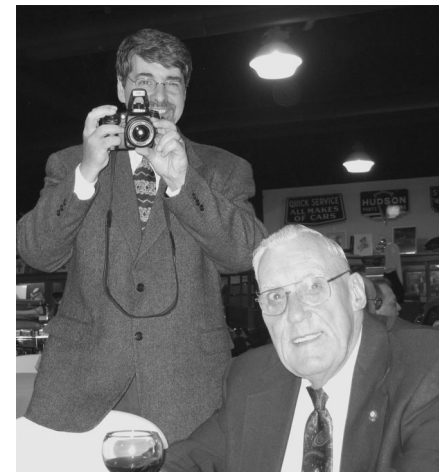

*Jack Hanifan updates the
group at a session.*

Tom and Gene seem to have a female admirer.

*Nancy Huber, Terry Roberts and John
Sheridan along with other attendees listen
intently at one of many worker sessions.*

*Harry Adalian is caught in the lens of
Dave Panas' while Roly poses for one
more photo.*

Our leaders at work!

*Left to right: Area 10 Director John Sheridan, Steward Dave Panas, MoHud
Director Harry Adalian, Lenore Panas, RE Gene Tricozzi, Steward Roly
Heacox, NEDiv Exec Steward Jack Hanifan, Past Chairman of the Board Tom
Campbell, NEDiv Deputy Asst. for T & S Nancy Huber & NEDiv Deputy Exec
Steward for Area 1 Walt Huber. All these MoHud members work hard for the
region and SCCA.*

***The 2007
NEDiv Roundtable
