

MoHud's Constitution & By-Laws— Members asked to Read & Review!

A copy of the Constitution and By-Laws of our club (MoHud SCCA) are published inside beginning on page 4. All members are asked to read the entire document and submit any concerns or suggestions to a Board Member or present those concerns at the next membership meeting for the Board to discuss and review.

The version published herein was revised in March 1989. Much has occurred over the last 19 years both locally and nationally in SCCA and the world at large. Whether there is need for revisions again now is for up for discussion.

The Board regularly meets the week before the meeting to develop an agenda and if it is brought to a Board Members' attention ahead of time, it can be put on the agenda for the next meeting. Please save any extended discussion for the general meeting. It is to benefit the entire membership that we review this document on a

regular basis and stay as accessible and accommodating as possible to all concerns in this regard. We hope you will participate.

RE JACK HANIFAN REPORT

The 08 Roundtable in Ithaca was a success. John Sheridan, Roly Heacox, Rich Welty and I represented MoHud. The 2008 NeDiv schedule was finalized; the only change was the cancellation of the two events at LRP on 6/7 and 6/21.

Colan Arnold, from the National office was at the Roundtable, he unveiled new membership and volunteer programs which we hope will increase membership and our worker base. Both programs are described elsewhere in this publication.

There is a good possibility MoHud will sponsor the Divisional Solo Championships. If we do, they will be held at the Seneca Depot.

For the last several years the MoHud race has been supported by the Solo community, this would be a great time for the racers to pay back their support. We will need both workers and

entrants. Remember most of your race cars can be used in a Solo event and you can both enter and work. If your race car is not suitable, you probably have a street car you can use.

New England Region is looking for workers for their July 12th event at New Hampshire Motor Speedway. The event is in conflict with both ALMS at Lime Rock and a race at the Glen. If you want to work an event, this would be an excellent time to do so, NHMS is a great track to work at, motels are relatively cheap and a good time is had by all. NER would appreciate anyone regardless of their experience. They will have a solid cadre of experience workers to mentor everyone. Remember the next Board meeting is Monday March 24th, the next Membership meeting is April 2nd- both meetings at the Orchard Tavern.

April Report

I am sorry that I do not have much to report as of yet. We had a site lined up and the owner pulled the plug when it came time to sign the contract. Two other sites are still possible and we will fill in dates with the McCarty Ave lot once we find out what dates we can get for the "possible" sites. We do have 2 Test and Tunes scheduled this year out at Seneca Army Depot on April 27th and September 6th. Space is limited. For more information or to sign up, contact Jim Garry at jim_garry@verizon.net.

We are planning on holding an event on April 6th if the site comes through. Keep an eye on the web site for more details as we get them.

April 08 Competition Report

Spec Miata

Last year, as Exec Steward, I received many complaints from SM drivers regarding the spec tire rule. As many of you know, two years ago the NeDiv Council voted that all NeDiv Regions should include in regional race supps a statement that Toyo tires must be used on all SM's. The GCR does require Toyo's for National Races but allows regions to spec a tire for regional races. It was the consensus of SM drivers that they wanted to use the Toyos for both regional and national races. Last year several regions neglected to put the mandated statement in their supps and as a result it was perceived that some drivers had an unfair advantage. We can not fault the drivers; they read the supps and took advantage of the situation. It should also be noted that no one protested.

This situation was rectified at the Roundtable when the NeDiv Council voted to reaffirm the previous vote; all of the offending regions were present and now have no excuse for not following the rules. Tom Hoffman the new Exec.

Steward has reminded his deputies and there should not be any supps approved without the appropriate rules.

MoHud Stewards will be traveling to East Windsor, Ct. on Saturday March 29th for Steward Training. If any driver is interested in becoming a Steward, you are invited to attend. Contact me ASAP.

LRP will be repaving in June. There will be two alternate configurations. An early turn in before the uphill and an alternate turn in at the downhill. Paving will be in early June. The track will be allowed to cure for about 3 weeks. MoHud was offered a July 4th date and an August 23rd date. Both dates conflict with existing scheduled NARRC events – July 5th and 6th there is a double NARRC regional at Pocono put on by the Tri-Region. The August 23rd date has regionals at NHIS and NJMP. The board has decided not to have an event this year. Since the board meeting NE region has offered to let MoHud help with their event at NHIS on July 12th and 13th. Also NNJ Region

has offered asked us to help at the National on August 2nd at LRP. Jack mentioned that last year they broke even at this event. Pete Smith finished a race last weekend in his sprig at Sebring.

Tech party will be at BK's garage on Sunday April 6th.

Jack mentioned that there is an article posted in last month's KO about Bruce Cargill by Greg Rickes. Bruce passed away recently – a long time member and friend of MoHud. Jack made a toast to Bruce.

Vintage Travel Trailers and RVs To Gather in Saratoga Springs

100 Classic Vehicles Will Camp and Exhibit At Saratoga Automobile Museum

“Vintage Trailer Jam 2008” will be held July 11-14, 2008
at Saratoga Spa State Park, Saratoga Springs NY

In an unprecedented event, open to the public, one hundred vintage travel trailers and motorhomes will camp on the grounds of the Saratoga Automobile Museum in Saratoga Springs State Park this July.

Many of these classic vehicles, dating from the 1940s through the late 1970s, will be open to the public on Saturday, July 12 from 10 a.m. to 2 p.m. Members of the media are invited to call in advance for escorted tours.

Alan Edstrom, Director of Programs and Events at the Saratoga Automobile Museum talked about the excitement that the Airstream Trailer collaboration has brought to the community, “This has got to be one of the most amazing summers that the Saratoga Automobile Museum has had, with over a dozen lawn shows. The Vintage Trailer Jam is the cherry on the top – drawing in many people who ordinarily wouldn’t even think of coming to a car show. Somehow it evokes warm memories a kind of ‘I’VE GOT TO SEE THAT!’ experience.”

Among the vehicles on display will be travel trailers and motorhomes by Airstream, Spartan, Serro Scotty, Vagabond, Shasta, Avion, Argosy, and Airfloat. The vehicles will be occupied by their owners during the event.

The Vintage Trailer Jam will also include seminars for owners and would-be owners, on topics such as restoration, travel destinations, RV history, and buying vintage trailers. Walk-in admission to the seminars is \$45, but the Open House is free to all.

The event will also include a sword-swallowing and fire-eating show, a judged Concourse Event with prizes, and a vintage parts flea market on Monday, July 14. Early-bird parking is available for participants on Thursday, July 10.

During the Vintage Trailer Jam, the Saratoga Automobile Museum will be exhibiting a display of GTOs from Electric City GTOs, in anticipation of their National Convention coming to town July 15-19.
